MEMORANDUM FOR: Chairman, Intelligence Information
Handling Committee

FROM :
Executive Secretary

STATINTL

SUBJECT : Use of Control Markings on Microfiche
Copies of Intelligence Documents

REFERENCE : Your Memo to Chairman, Security Committee,
dated 13 April 1976, Same Subject

1. Referenced memorandum requested the Security Committee to consider a proposal by the IHC Micrographics Working Group to use digraph codes to indicate special handling controls for microfiche copies of intelligence documents provided by the Intelligence Community.

2. At the 15 June 1976 meeting of the Security Committee representatives from the Micrographics Working Group briefed the Security Committee on this proposal, and the members agreed to the use of these digraphs.
